EXT. GULAG - DAY

JEREMY is being dragged toward the gulag.

JEREMY

How did I get into this predicament, you may ask?

INT. GULAG - DAY

JEREMY is standing in the gulag.

JEREMY

It's actually a very fascinating story. You see, there I was, parachuting to the ground, with a thousand losers closing in around me.

INT. ARENA - DAY

JEREMY is in the arena with ENEMY near him.

JEREMY

And then I got shot, before I even landed. Some people say that life is hard, that it's not fair, but those people have never been shot while parachuting to the ground. Unless they have.

Beat.

ENEMY

Are you done?

JEREMY

For now, at least.

ENEMY

Because you can talk some more if you're not.

JEREMY

No, it's all right, I've finished my story.

ENEMY

Can we kill each other now?

JEREMY

I have an alternate idea. What if instead of killing each other senselessly we didn't do that in a protest against the pointless violence?

ENEMY

What would that accomplish?

JEREMY

Maybe nothing. Maybe everything. The only way to find out is to try.

ENEMY

Well, maybe-

JEREMY shoots ENEMY.

JEREMY

Works every time.

EXT. SKY - DAY

JEREMY is skydiving.

JEREMY

Maybe I'll actually land this time.

JEREMY opens his parachute and parachutes to the ground. As soon as his feet touch the ground he gets shot and falls to the ground.

JEREMY

(CONT'D)

Still better than last time.

THE END
