HAPPY

Hello, I am a Generic Over-Stereotyped Happy Person Who Loves Christmas!

GRUMPY

Hello, I am an equally Generic Over-Stereotyped Grouch Who Hates Christmas.

HAPPY

Hello Grouch, Why do you hate Christmas?

GRUMPY

Because of a generic, contrived tragedy that happened at Christmastime.

HAPPY

But the generic tragedy was a ridiculously long time ago and was not as bad as you remember.

GRUMPY

I disagree and now I will try to ruin your life.

HAPPY

But I am poor and can't afford a generic present for my child that they really want.

GRUMPY

I don't care and now I will do an evil deed and ruin your life!

GRUMPY pulls out silly string and sprays HAPPY with it.

GRUMPY (CONT'D)

Oh no, I have done a bad thing and am filled with regret and remorse.

HAPPY

Oh no! Now I will not be able to purchase the present my child wants and Christmas is ruined!

GRUMPY

I will now have a change of heart and help you out because I now know the true meaning of Christmas.

GRUMPY wipes the silly string off HAPPY.

HAPPY

Thank you Generic Grouch, you have saved Christmas and are a nice person like I always knew you would be!

GRUMPY

And we all lived happily ever after until we had to come up with another idea for a video.
