INT. FAMILY ROOM -DAY

RANDAL and JEREMY are playing a game together.

RANDAL  
Wow, this game is a lot of fun.

JEREMY  
I know, right? Who would've thought  
a game so cheap would be so good?

RANDAL  
What's it called again?

JEREMY  
I'm not allowed to say.

RANDAL  
Who doesn't want you to say it?

JEREMY  
Our youtube overlords.

RANDAL  
Oh. Where did you find this game?

JEREMY  
It's weird, I just found it in a  
box in my room. But I don't  
remember buying it or receiving it  
as a gift.

RANDAL  
Weird. Hey, what's this button do?

RANDAL presses the button and suddenly a GENIE pops out of  
the screen.

GENIE  
Greetings mortals I am the ancient  
game Genie Mephistophelesiodium

RANDAL  
Methastopopodium?

JEREMY  
Mephistophelesiodium.

GENIE  
No! Mephistoph, oh, you got it.  
Anyway I will grant you one wish.

JEREMY  
Sweet! I wish for...

GENIE

Wait! There are a few rules you must adhere to.

JEREMY

Of course there are.

GENIE

You must ask for something you do not already own, it must weigh no more than seventy three pounds be no larger than a Volkswagon Beetle, you must remain within a hundred dollar budget, and you have to pay for any shipping and handling required.

RANDAL

That's awfully specific.

GENIE

Or you need to stand on one foot when you ask for it.

RANDAL

That's the only condition?

GENIE

Yes...

JEREMY

Awesome! I wish for a million more wishes!

GENIE blasts JEREMY with lightning and JEREMY is reverted to a pile of ash.

RANDAL

Why did you do that!

GENIE

He didn't stand on one foot.

RANDAL

FINE!

RANDAL stands on one foot.

RANDAL (CONT'D)

I wish for JEREMY to be brought back to life.

GENIE sighs and zaps JEREMY's ashes and JEREMY pops back into existence.

RANDAL (CONT'D)  
It worked! You're back!

JEREMY  
Whew, thank you! I...

GENIE blasts RANDAL with lightning and RANDAL is turned to ash.

JEREMY (CONT'D)  
Why did you do that?

GENIE  
I dunno. I just like blasting people.
