INT. KITCHEN - DAY

CARISSA is grilling a cheese sandwich. Mr. Mesulchith slowly rises up directly behind her. Carissa suddenly spins around.

CARISSA

Whoa!

MR. MESULCHITH

What are you doing?

CARISSA

What am I doing? What are you doing?

MR. MESULCHITH

You're making a grilled cheese sandwich, aren't you?

CARISSA

Um, yeah.

MR. MESULCHITH

I was afraid of that.

Mr. Mesulchith turns and walks a few paces away.

MR. MESULCHITH (CONT'D)

Unfortunately we've learned that recently, quite recently, there was a mass poisoning of all the cheese in this area.

Mr. Mesulchith walks back and grabs the cheese sandwich off the griddle.

MR. MESULCHITH (CONT'D)

I'm afraid I'm going to have to confiscate this, purely for safety reasons.

Mr. Mesulchith walks away.

CARISSA

How did you get in my house?

ACT 2

INT. LIVING ROOM - DAY

RANDAL is sitting on the couch reading. MR. MESULCHITH appears.

MR. MESULCHITH

Ah, what is this?

Mr. Mesulchith takes the book from Randal. He then sniffs it and then licks it.

MR. MESULCHITH (CONT'D)

Ah, just as I suspected! This is one of the books that the Russians-Prussians? Russians. Are using to indoctrinate the minds of the people.

RANDAL

Why did you need to lick it to figure that out?

MR. MESULCHITH

This is no good. I'm sorry, but for the safety of our great country of,  
(Mr. Mesulchith clears his throat)  
For the safety of the people I must confiscate this book.

Mr. Mesulchith walks away.

RANDAL

Wait, who are you? And how did you get in here? The door was locked.  
(To himself)  
How did he find the door? I disguised it as plant so no one could find it.  
(as an afterthought)  
I need to stop talking to myself out loud, someone might overhear me.

The camera zooms out and Mr. Mesulchith is standing next to Randal.

MR. MESULCHITH

That's how I knew.

ACT 3

EXT. DECK - DAY

NOELLE is sitting on the ground holding her guinea pig. Mr. Mesulchith appears.

MR. MESULCHITH

Ah, what do you have here?

Mr. Mesulchith takes the guinea pig and brings it close to his face.

MR. MESULCHITH (CONT'D)

Yes, yes, the signs are all here.

NOELLE

What signs?

Mr. Mesulchith turns and looks at Noelle.

MR. MESULCHITH

I'm afraid that we've had a number of reported incidents of rabid animals in the general vicinity of this area. Upon close inspection of this animal it has all of the tell-tail signs of being clinically insane.

NOELLE

What?

MR. MESULCHITH

I'm afraid your guinea pig is going to have to come with me and we might have to put it down-

NOELLE

What!

MR. MESULCHITH

In a cage somewhere.

Mr. Mesulchith walks away.

ACT 4

INT. FAMILY ROOM - EVENING

CARISSA is sitting on a couch playing Wii U with the gamepad.  
Mr. Mesulchith appears.

MR. MESULCHITH  
What's this now?

Carissa jumps.

CARISSA  
Ah! Oh no, not you again.

MR. MESULCHITH  
Well I don't know what you mean by  
"again" since this is the first  
time we've met, but it's good to  
know I'm famous. I'll have to do  
something about that later, can't  
have people talking.

CARISSA  
Why are you here? And how? I locked  
all of the doors and windows! Do  
you have a key or something?

MR. MESULCHITH  
Are keys those sticks with lumps of  
metal attached to the end that  
people use to pound in nails or  
break through glass?

CARISSA  
No.

MR. MESULCHITH  
Then no. Oh, what do you have here?

Mr. Mesulchith takes the Wii U gamepad from Carissa.

CARISSA  
Hey!

Mr. Mesulchith puts his ear to the gamepad.

MR. MESULCHITH  
Uh-oh, this is not good.

CARISSA  
I'm afraid to ask.

MR. MESULCHITH  
Well you should be. This is  
infected with a virus.

CARISSA  
I don't think Wii U's get virus's.

MR. MESULCHITH  
Not a computer virus, a deadly  
infectious virus. There's been an  
outbreak nearby and it spreads  
first to these things, then to  
humans. If you keep this, you'll be  
dead within a day.

CARISSA  
Let me guess. You're going to take  
my Wii U.

Mr. Mesulchith looks at the gamepad. He turns it over a  
couple of times.

MR. MESULCHITH  
Actually, I'm not sure I even want  
this.

Mr. Mesulchith tosses it back to Carissa and walks away.  
Carissa watches him leave. Then she looks at the gamepad,  
wrinkles her face, sets it down and walks away.
