PILOT

Attention passengers, this is your captain speaking, we are preparing for takeoff so please make you have your seat belts on and that they're in the upright position.

Okay, I'm going to go back and see if any of the Stewardesses know what our destination is supposed to be. Don't mess with your phone while I'm gone.

PILOT exits. COPILOT waits for a while, then pulls out his phone and launches Fortnite. The airplane collides with another airplane. SUIT GUY walks in front of the screen.
