EXT. PATH - DAY

LINK is walking along a path when FARLOUGH appears.

FARLOUGH

Hey, hero of legend reborn to save the world from certain doom, I know your super busy, what with the certain doom, but I have a few errands I need done, and since you happen to be here, I thought you could do them. What do ya say?

LINK opens his mouth to respond, but FARLOUGH cuts him off.

FARLOUGH (CONT'D)

Great! I knew you could help. I need you to get me some berries. I really want some, but I've been searching all day and can't find any.

Camera is on LINK, then zooms out to reveal a berry bush right next to him. LINK reaches out, grabs a berry, and hands it to FARLOUGH.

FARLOUGH (CONT'D)

Wow! You really are the hero legend. Here, for your reward, you can choose either 300 rupees, or a Deku nut.

LINK begins to ask for the three-hundred rupees, but FARLOUGH cuts him off.

FARLOUGH (CONT'D)

I knew you'd ask for the Deku nut. These things can only be found in the heart of the lost woods, where the hero of legend is said to dwell. Here you go.

FARLOUGH holds out the nut, but drops it, causing it to explode. FARLOUGH looks at the ground then up at LINK.

FARLOUGH (CONT'D)

Well, tough luck. Say, while you're here, maybe you could do another thing for me.

LINK sighs.

FARLOUGH (CONT'D)
I need a dozen or so fairies for a special project, could you bring one to me?

LINK tries to say no but FARLOUGH stops him.

FARLOUGH (CONT'D)
Great! Just bring them back here when you catch 'em all.

LINK groans and trudges off. Cut to LINK running around chasing fairies with a bottle. He walks back up to FARLOUGH and hands him a bottle with a dozen fairies.

FARLOUGH (CONT'D)
Thanks! These will taste great in my special soup.

LINK goes a little wide eyed.

FARLOUGH (CONT'D)
And of course, your reward.

LINK receives fairy in a bottle.

FARLOUGH (CONT'D)
I figure that'll come in handy.

LINK just looks at FARLOUGH

FARLOUGH (CONT'D)
Say, since you're already here...

LINK leaves.

FARLOUGH (CONT'D)
How rude.

EXT. CLEARING - DAY

LINK is walking along when FARLOUGH confronts him.

FARLOUGH
Hello again, hero of legend, but my nondescript business is under attack by bokoblins. Could you please take care of them?

LINK shakes his head.

FARLOUGH (CONT'D)
Oh, thank you so much, I knew you'd
do it!

LINK heaves a sigh and trudges off. He kills the bokoblins
and FARLOUGH runs up.

FARLOUGH (CONT'D)
Aha, you sure made quick work of
them. I don't know how I can ever
thank you!

LINK looks down at his wallet.

FARLOUGH (CONT'D)
Oh, of course, a reward!

FARLOUGH gives link bait.

FARLOUGH (CONT'D)
This is the best enemy bait you'll
find anywhere! See you real soon!

LINK draws his sword and points at FARLOUGH. FARLOUGH throws
down a deku nut.

FARLOUGH (CONT'D)
Ha ha, thanks for the help loser!

The smoke clears and FARLOUGH is still there.

FARLOUGH (CONT'D)
Oh.

LINK yells and jumps up to do a jump slash, and it cuts to
black.
