INT. OFFICE - DAY

EXEC is sitting in her office. There is a knock on the door.

EXEC

Enter.

The door opens revealing WA LUIGI.

WA LUIGI

Waaa!

EXEC

Oh, it's you. I suppose to can have a seat.

WA LUIGI

Okay!

WA LUIGI walks into the office and sits in a chair opposite EXEC.

EXEC

My time is valuable, so I'd appreciate if you would get right to the point.

WA LUIGI

All right.

EXEC

We're alone in here, you can use your real voice.

WA LUIGI

Oh yeah. I'm here to file a complaint.

EXEC

Mr. Luigi, you know good and well that all complaints need to go through the complaint department. Which is not in my office.

WA LUIGI

They already threw me out.

EXEC

And why do you think they would do that.

WA LUIGI acts evasive.

WA LUIGI
I don't know.

EXEC
It's because you won't leave them alone. Every console generation you file the same complaint.

WA LUIGI
And you know why I do that? Because they still haven't done anything about it!

EXEC
It's not their fault you're not on the roster for Super Smash Brothers. Nor is it mine, actually.

WA LUIGI
Well who's fault is it then?

EXEC
Have you tried talking with Masahiro Sakurai?

WA LUIGI
Yes.

EXEC
And what did he say?

WA LUIGI
He's determined to keep me as an assist item. Which is totally lame because a lot of people turn off items anyway.

EXEC
Look, not everyone can be a character in Smash Bros. King Boo didn't make it.

WA LUIGI
King Boo didn't get a petition made on Change.org.

EXEC
Those never do anything.

WA LUIGI
He also doesn't get tons of fan mail.

EXEC

Is that the reasoning you tried to use in the complaints department?

Flashback to WA LUIGI in the complaints department. Literal tons of fan mail are dumped on the people in the department as WA LUIGI laughs. Return to present.

WA LUIGI

No.

EXEC

Well all the fan mail in the world doesn't help you, because this is Nintendo. We don't care.

WA LUIGI

But even Wario is in Smash.

EXEC

Unlike you, Wario has his own games.

WA LUIGI

Oh, so it's my fault for not having a game of my own.

EXEC

In short, yes.

WA LUIGI

It's not fair!

EXEC

I never claimed it was.

WA LUIGI

I'm going to call my lawyer and file a lawsuit.

EXEC

Your lawyer, huh? Well we have a lawyer too, and he doesn't have a sense of humor like I do.

WA LUIGI

Does any lawyer? I'm pretty sure that when someone says they want to be a lawyer they're then asked "Why did the chicken cross the road" and if they answer anything other than "Your honor, there is no evidence that anyone crossed the road, let alone that my client, Mr. James P.

(MORE)

WA LUIGI (CONT'D)

Chicken did any road crossing. My client is an upstanding citizen and he has absolutely no road crossing activity on his record. I move that this case is dismissed for a complete lack of evidence.

EXEC

And so you must realize that suing us for not allowing you in Smash Bros cannot go well for you.

WA LUIGI

Well I have to do something.

EXEC

You really don't. You could just accept your fate.

WA LUIGI

That wouldn't get me in Smash Bros.

EXEC

Neither will complaining. You do realize that you're one of our more, shall I say, expendable characters.

WA LUIGI

What does that mean?

EXEC

We could get rid of you and not even care.

WA LUIGI

I'm starting to think that you don't care whether or not I make into Smash Bros.

EXEC

No, I don't care. The only thing I care about is getting back to what I was doing so that I can advance the plot.

WA LUIGI

But there's got to be a way I can make it into Smash Bros. Something I could do.

EXEC

The only thing I can think of is if you got a game of your own.

(MORE)

EXEC (CONT'D)

That might, MIGHT, improve your chances. But good luck with that.

WA LUIGI

You're right. I need a game of my own. But Nintendo isn't going to give me one so my only option is to make one myself.

EXEC

Well good luck with that.

Footage plays of a garbage WA LUIGI game.

WA LUIGI

It's perfect.
